

Bracelet opening/closing instructions

Opening

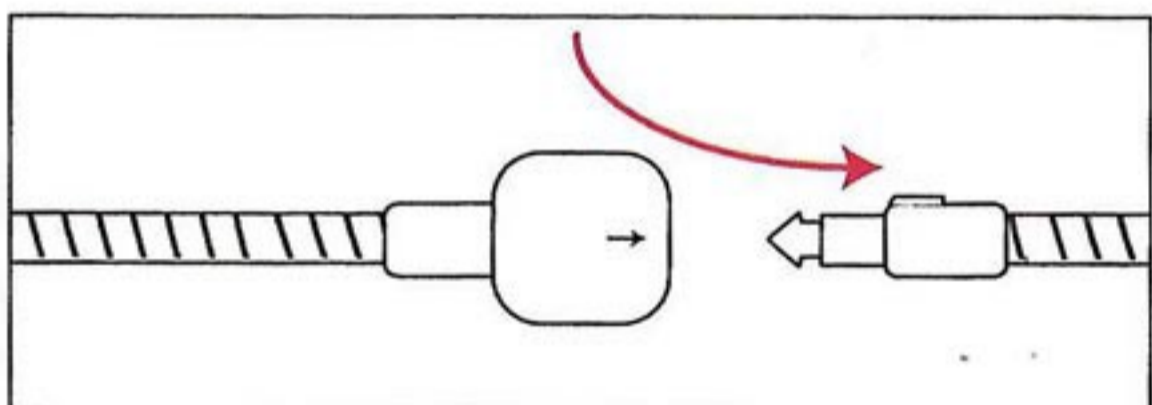

The barrel section of the clasp has a small arrow for directional purposes only; alignment is not required to open the bracelet.

Once the arrow has been located, place your thumb and forefinger on either side of the arrow on the barrel - your fingers should be covering the Truth logo. Your other hand should be holding the bracelet loosely by the chain, about 1cm away from the clasp.

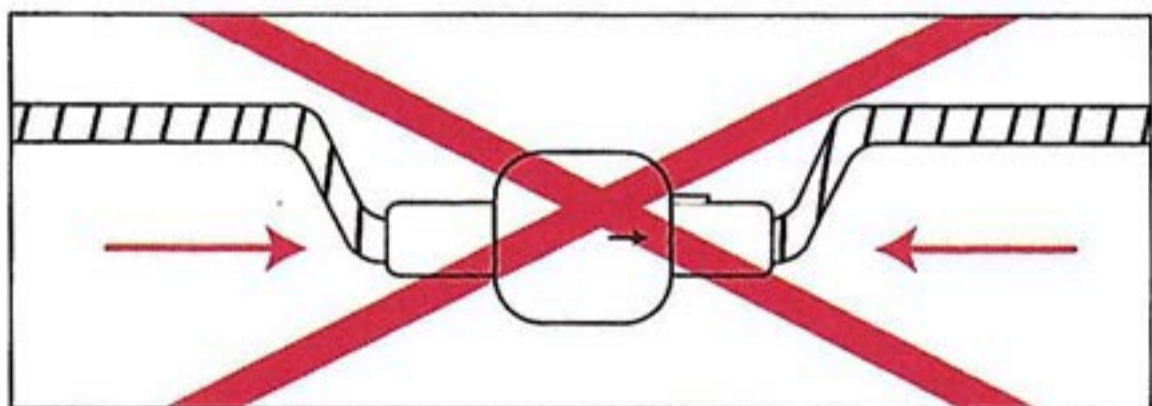

Holding the barrel section of the clasp only, push the barrel up as far as it will go in the direction of the arrow and hold it in the upwards position.

Opening and separating the ends

When the barrel is held in the upwards position, pull the ridged slider gently and the bracelet will separate.

Not holding the clasp in the upward position and simply pushing it up once will not release the ends.

Closing

Slot the ridged slider back into the barrel and push the barrel upwards, in the direction of the arrow, to engage the clasp.

Cleaning instructions: Clean all TRUTH jewellery with a polishing cloth.

The TRUTH jewellery collection has been designed with coloured enamel, using liquid silver polish may damage the charms.

WARNING! Due to small parts, TRUTH jewellery is unsuitable for children under 7 years old. To avoid choking hazards, do not allow children to put jewellery in their mouths. Parents/Guardians hold responsibility for the safety of children. To prevent damage, jewellery should not be worn while sleeping, bathing or playing sports.
